Send out on Sunday 14 March 9pm

SUBJECT: [FIRST], coming in hot on a Sunday night

Hey (NAME),

Happy Sunday From Thailand.

I'll keep this short and sweet.

After all, it's Sunday night, morning or afternoon (depending on where in the world you are) and I want to make sure you have the time to finish up your latest Netflix binge (*The New Amsterdam*, anyone?)

Tomorrow at 9am EST, I'll be kicking off my FREE [Launch With Confidence Experience](#). This powerful experience will walk you step-by-step through designing a launch that will CRUSH your business goals.

Here's the deal: I've tried every strategy in the book to grow my business (and those of my clients), and some work, and some don't.

If someone were to ask me which strategy I'd choose to be alone on a deserted island with... I'd choose launching.

There is literally no better way to grow your confidence, your audience, sell your programs, and scale your business. [That's why I'm hosting this free experience and why you should join me.](#)

Hope to see you there,
