24 HOUR REMINDER EMAIL 14 March at 9 pm BKK time

SUBJECT: [Launch Workshop] What You'll Need For Tomorrow

Hey (First name),

Just a quick reminder that the Launch With Confidence Workshop starts tomorrow at 9:00am EST.

Let me make this guarantee to you:

If you time block your calendar, take my hand, and be totally open for possibilities... I can change the entire trajectory of your business over the course of the next 5 days.

I guarantee this experience will be worth your time!

Here's the deal; the entire week is set up to be interactive, fun, and highly seasoned with powerful aha! moments.

Here's the low-down on how to get the most out of the **Launch With Confidence EXPERIENCE**:

PRIZES:

Of course, I gotta start with prizes. I learned years ago when my daughter Sumi was 4 years old how effective positive reinforcement can be.

If you show up and participate in the group, there are SEVERAL ways to earn points to win prizes so show up, keep your ears open, and stack up the points.

Here are just a few things that are up for grabs:

- 1x E-book Get more leads using Facebook Groups by Sam Dinicola (Value \$27)
- 2x Facebook Group Leverage – My group program to help you start, grow and monetize your very own Facebook group. (Value \$497) per entry
- 1x Applying Your Human Design For Business Success a :1 session with Gemma Ombuya (\$395)
- 1 x Gain Confidence In Yourself And Your Business 1:1 – 2 hour Session with Carmen Braga (Value 695)

- 1x VIP Intensive – Creating A Million Dollar Mindset The Foundation of Any Successful Business (Value \$2500)
- and the **adoration and acclaim of your fellow participants.**

FACEBOOK MESSENGER REMINDERS:

Take it from me who has an alarm set on her phone for everything... you can have the best of intentions to show up for the trainings, but things happen, time ticks away, and suddenly it's gone!

I get it and so we are sending you a reminder dm directly in Facebook.

I mean, you're here! So I can assume you understand the power of launching and how it can change your business... so we remind you of that during the week.

VIRTUAL GOODIE BAG:

Here's where you will find your Checklist, e-mail campaigns, Facebook Bot campaign and much more.

Oh and of course your Workbook. I think it should be FIRST on this list because I spent a ton of time on it, and it holds the keys to you scaling your business no matter how new you are.

Check it out here [\(Put the many chat link to the goodie bag in here.\)](#)

Open it.

Get it printed or fill it in on your tablet during each Live Stream. (It is an interactive PDF)

Keep this workbook close throughout the week, as it will be your guide to discovering the secrets of a profitable launch.

Alrighty... that sums it up. I hope to see you at 9am EST tomorrow!

Myra

P.S. Seriously, dedicate this time to work on your business this week... I promise you'll thank me for it.
